2015 CHOPARD OPTICAL COLLECTION

THE 2015 CHOPARD
OPTICAL COLLECTION
CONFIRMS THE LINK
BETWEEN THE MAISON'S
EYEWEAR AND ITS FINE
JEWELLERY AND TIMEPIECE
LINES, REPRODUCING
AND REINVENTING THEIR
ICONIC CONCEPTS
WITH CREATIVITY AND
ORIGINALITY.

The 2015 eyewear offers elegant and luxurious glasses produced with the utmost precision.

The high quality of the materials used call to mind the painstaking work of the finest goldsmiths and jewellers.

Each pair of CHOPARD glasses is a small yet exclusive example of perfection, resulting from a careful study and an elaborate manufacturing process executed entirely by hand. All the models are gold plated.

The metal details, the trims, the end pieces and the temples are obtained through the milling and precision casting processes usually employed by goldsmiths and jewellers.
